

PICISOC Announces Recipients of the PaclGF2023 Fellowship

7th June 2023.

Congratulations to the successful candidates to participate in the PaclGF2023 Fellowship Program at the PaclGF2023 Conference on 28th – 29th August 2023, Brisbane, Australia.

The successful candidates represent all sectors of including civil, government, academia, business, technical, security and end user groups who have actively experienced, engaged, led and participated and worked in roles that promote the development and strengthening of a better internet.

The PaclGF2023 fellowship program will provide the selected fellows with the opportunity to meet and interact with noted leaders and experts in the Internet Governance arena with the Asia Pacific Region.

To view the list of selected candidates, visit the PICISOC website.
